BUSINESS ONLINE BANKING AND MASTER CASH MANAGEMENT AGREEMENT

The following information represents the Business Online Banking Master Agreement between you (the "Company") and Taylor Bank. This Master Agreement, including, as applicable, any related Authorization Form, the signature card, rate and fee schedule, and any applicable Service Agreement and other instructions and the terms and conditions contained herein relating to specific Services that may be provided in connection herewith (collectively, this "Master Agreement"), sets forth the terms and conditions governing the provision of Business Online Banking Services to you or anyone authorized by you (the "Company") and describes your and our rights, responsibilities and obligations. The Authorization Form for Online Banking Services is attached hereto as Exhibit "A" and is made an integral part of this Master Agreement. By completing and signing the Authorization Form, and/or using one or more of the Services, Customer agrees to, and shall be bound by, the terms, conditions and provisions in this Master Agreement, including those for each Service which Customer has selected. Taylor Bank, in its sole discretion, may not permit Customer to use the Service until Taylor Bank has determined that Customer has accepted or executed the applicable documentation and otherwise provided appropriate information and specifications for the use of the Service, and until Taylor Bank has had a reasonable opportunity to review the Authorization Form and activate the Service. In any event, Customer agrees that the use by Customer of any Service shall, without any further action or execution or acceptance of any documentation on the part of Customer, constitute Customer's acceptance of and agreement to Taylor Bank's terms and conditions for the use of such Service as may be in effect as of the time of such usage, whether set forth in this Master Agreement, any applicable Service Agreement or otherwise prescribed by Taylor Bank. In the event of a conflict between the terms of this Master Agreement and those of any Authorization Form, or Service Agreement, the terms of the Authorization Form, or Service Agreement as applicable, shall govern and control with respect to the Service at issue. In order to activate the Service, you must have at least one Account with us linked to the Service.

Therefore, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, you and Taylor Bank, intending to be legally bound, do hereby agree as follows:

Article I. Setup and Use of Online Access Services.

1.1. Eligibility.

To have access to the Services you must be an authorized user of the Software you select, if required for use with the Equipment. You must also have at least one deposit or loan account with us. If you have more than one Account, you will have access through the Service to the Accounts you specify on the Authorization Form. If you specify more than one Account on the Authorization Form, we will "link" the Accounts together. Accounts which are "linked" under the Services will have one common owner and signer. Any signer, acting alone, must be authorized to access a linked account. Any account requiring two signatures waives this right for any online banking service. Any non-linked account will not be accessible through the Service. You must designate a User Name and Password which will be required to gain access to the Service.

1.2. Security Procedure.

The use of a password is a security procedure established by Taylor Bank to authenticate the identity of the person attempting to gain access to the Service. The security procedure is not designed for the detection of errors. We may require you to change your password from time to time for security reasons. You should keep your password in a secure location. Any person having access to your password will be able to access these Services and perform all transactions, including reviewing Account information and making Transfers to other Accounts and to other persons. **You are responsible for safeguarding the password. Providing your password to another person effectively constitutes a grant of authority to access your accounts.**

1.2.1. You agree to comply with the "Security Procedures" and any other Security Procedures Taylor Bank directs you to use, and you acknowledge and agree that the Security Procedures, including (without limitation) any code, password, personal identification number, user identification technology, token, certificate, layered security, or other element, means, or method of authentication or identification used in connection with a Security Procedure ("Security Devices"), constitute commercially reasonable security procedures under applicable law for the initiation of the Services you utilize, including without limitation, transfers and access to confidential information. You authorize us to follow any and all instructions entered and transactions initiated using applicable Security Procedures unless and until you have notified us, according to notification procedures prescribed by us, that the Security Procedures or any Security Device has been stolen, compromised, or otherwise become known to persons other than you or your representative(s) and until we have had a reasonable opportunity to act upon such notice. You agree that the initiation of a transaction or instructions using applicable Security Procedures constitutes sufficient authorization for Taylor Bank to execute such transaction or instruction notwithstanding any particular designation by you of authorized persons or signature requirements identified on any signature card or other documents relating to your deposit account maintained with Taylor Bank, and you agree and intend that the submission of transactions and instructions using the Security Procedures shall be considered the same as your authorized written signature in authorizing us to execute such transaction or instruction. You acknowledge and agree that you shall be bound by any and all transactions initiated through the use of such Security Procedures, whether authorized or unauthorized, and by any and all transactions and activity otherwise initiated by you, to the fullest extent allowed by law. You further acknowledge and agree that the Security Procedures are not designed to detect error in the transmission or content of communications or transaction initiated by you and that you bear the sole responsibility for detecting and preventing such error.

1.2.2. You agree to appoint and designate an administrator (the "Administrator") who will be authorized and responsible for creating and maintaining subsequent User Ids, Passwords and tokens on your behalf, including assigning and revoking access privileges for persons to use the Service, ("User") and providing new and subsequent Security Devices to those Users. Customer understands that the Administrator has the capability of providing administrative privileges identical to that of the Administrator to any User, including the ability to create and maintain subsequent User accounts and assigning and revoking access privileges. If these privileges are granted by the Administrator to a User, that User will also be considered an Administrator. Customer acknowledges that any Administrator shall have the ability to control security levels such as Service access and Service transaction limits, including without limitation the ability to assign dollar amount limits to transfers of funds. You also agree that the Administrator or any User shall also have the authority on behalf of Customer to electronically accept and approve any and all agreements and amendments to agreements by and between Taylor Bank and Customer, including but not limited to this Master Agreement.

1.2.3. You agree to keep all Security Procedures and Security Devices protected, secure, and strictly confidential and to provide or make available the same only to your authorized representative(s). You agree not to disclose or provide any Security Procedures or Security Devices to any unauthorized person. You also agree that Users shall not share Security Devices with each other. Where you have the ability to change or modify a Security Device from time to time (e.g., a password or User Name), you agree to change Security Devices frequently in order to ensure the security of the Security Device. You agree to notify us immediately, according to notification procedures prescribed by us, if you believe that any Security Procedures or Security Device have been stolen, compromised, or otherwise become known to persons other than you or your authorized representative(s) or if you believe that any transaction or activity is unauthorized or in error. In the event of any actual or threatened breach of security, we may issue you a new Security Device or establish new Security Procedures as soon as reasonably practicable, but we shall not be liable to you or any third party for any delay in taking such actions. You agree to indemnify, defend all claims, and hold Taylor Bank harmless from any loss, damages, or expenses, including but not limited to attorney's fees, caused by you, your employees', or agents' failure to keep the Security procedures or Security Device confidential and secure.

1.2.4. You agree to notify us immediately, according to notification procedures prescribed by us, if the authority of any authorized representative(s) shall change or be revoked. You shall recover and return to us any Security Devices in the possession of any of your authorized representative(s) whose authority to have the Security Device has been revoked.

1.2.5. We reserve the right to modify, amend, supplement, or cancel any or all Security Procedures, and/or to cancel or replace any Security Device, at any time and from time to time in our discretion. We will endeavor to give you reasonable notice of any change in Security Procedures; provided that we may make any change in Security Procedures without advance notice to you if we, in our judgment and discretion, believe such change to be necessary or desirable to protect the security of our systems and assets. Your implementation and use of any changed Security Procedures after any change in Security Procedures shall constitute your agreement to the change and your agreement that the applicable Security Procedures, as changed, are commercially reasonable and adequate for the purposes intended.

1.3. Access.

Services are generally accessible 24 hours a day, seven days a week, except that the Services may be inaccessible for a reasonable period on a daily basis for system maintenance. We are not liable under this Master Agreement or any applicable Service Agreement for failure to provide access due to a system failure or due to other unforeseen acts. We may modify, suspend, or terminate access to the Services at any time and for any reason without notice or refund of fees you have paid. Taylor Bank may change the terms and conditions of this Master Agreement or any applicable Service Agreement from time to time to conform with changes or advancements in our services, or as required by law or regulation. All such changes will be made according to the procedures outlined in Article IX. Use of Online Banking after the effective date of such changes will constitute your consent to the changes.

1.4. Equipment Requirements.

In order to use the Services, you must first obtain your own personal computer with Internet connection capability and related equipment (the "Hardware"). You also must provide the type of Internet access required by the Hardware and/or Software, which includes the most current and prior major releases of internet browsers. Once the Hardware has been properly connected and any required Internet access has been established, you will be able to access the Services' website. You are and will remain solely responsible for the purchase, hookup, installation, loading, operation and maintenance of the Hardware, Software, and the Internet access service to your PC, and for all related costs. You are solely responsible for virus protection and maintenance of your PC. Taylor Bank shall have no responsibility for failures, interruption or other defects in the Services, which are occasioned by incompatible, improperly installed or improperly maintained hardware and software. Taylor Bank may add to, modify, or replace software programs used in conjunction with the Services under this Master Agreement or any applicable Service Agreement at its sole discretion and without notice, provided Services rendered to you are not substantially negatively affected or obligations altered.

MOBILE BANKING:

Mobile Banking allows you to access your account information and make other banking transactions via your compatible and supported mobile phone and/or other wireless devices (each a "Wireless Device"). To utilize Mobile Banking, you may need to install software to your Wireless Device. Once you have enrolled for Mobile Banking and installed the software, designated accounts linked to your ID will be provided when you register your Wireless Device. Taylor Bank will designate the accounts eligible for Mobile Banking and may withdraw such designation at any time. When you use Mobile Banking, you remain subject to the terms and conditions of your existing agreements with any telecommunications carrier (AT&T, Verizon, etc.) Taylor Bank does not charge any additional fee for Mobile Banking. However, standard message charges apply pursuant to your mobile plan or other agreement with your telecommunications carrier. This Agreement does not grant you a license to any software used to provide Mobile Banking, associated with the Mobile Banking service, or to any other software by implication, estoppel, or otherwise.

User Security. You agree not to leave your Mobile Device unattended when accessing Mobile Banking and to log off immediately at the completion of each session. You will be able to access the Service by entering a user name and password, or other unique identifier that may be required ("Authentication Procedures"). If you lose your Wireless Device, please call the Electronic Services Department at Taylor Bank at 410-641-1700 during regular business hours, or login to your Online Banking account and disable web access for your mobile device. You may cancel your participation in Mobile Banking using either method, at any time. You agree to not share login information or provide access to your mobile account. You understand that there are risks associated with using a wireless device, and that in the event of hacking, other electronic security failure, theft, or loss, your confidential information could be compromised. If you think your ID or account has been compromised call Taylor Bank. You understand that you should not use mobile banking when it may put you or others in danger, or when it is against any local, state, or federal law. This includes but is not limited to texting while driving, or use during a commercial flight. Although the Service will not display the full account number for any of your mobile accounts, it may display other sensitive information about your mobile accounts, including account activity, balances and transfer amounts. This Service may not be encrypted. You agree to protect your Mobile Device and not to let any unauthorized person have access to the information we provide to you through this Service. We will not be liable for losses or damages caused in whole or in part by your actions or omissions that result in any disclosure of account information to third parties.

FAILURE TO PROTECT YOUR MOBILE DEVICE AND ACCOUNT NUMBERS AS WELL AS ANY AUTHENTICATION PROCEDURES TO ACCESS THE SERVICE MAY ALLOW AN UNAUTHORIZED PARTY TO ACCESS THE SERVICE AND TRANSMIT AN ITEM FOR DEPOSIT. ALL USERS OF THE SERVICE USING YOUR AUTHENTICATION PROCEDURES WILL BE DEEMED TO BE USERS AUTHORIZED BY YOU AND BE BINDING UPON YOU.

Mobile Deposit Service. With the Service, you may use your Mobile Device to make deposits to Taylor Bank checking, savings, or money market accounts by photographing checks and delivering the images and associated deposit information to Taylor Bank by Taylor Bank's mobile app. We may change the terms of this Agreement from time to time, as provided below, to add, modify or discontinue one or more terms of the Service. In the event any dispute arises involving any of the Mobile Deposit Service items, Customer agrees to promptly notify Bank of said dispute. Bank shall investigate such disputed items and will notify Customer of the findings of its investigation.

Eligible items. You agree that you will use the Service to deposit only checks as that term is defined in Federal Reserve Regulation CC ("Reg CC"), that are payable to, and endorsed by you. You agree that the image of the check transmitted to Taylor Bank shall be deemed an "item" within the meaning of Article 4 of the Uniform Commercial Code ("UCC") and you are bound by all applicable provisions of the UCC.

Ineligible items. You agree that you will not use the Service to photograph and deposit any checks or other items as shown below which shall be considered ineligible items:

- Checks or items payable to any person or entity other than you or other joint account holders.
- Checks or items containing an alteration to any of the fields on the front of the check or item, or which you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check or item is drawn.
- Checks or items previously converted to a substitute check, as defined in Reg CC.
- Checks or items drawn on a financial institution located outside the United States or in a currency other than the United States.
- Cashier's Checks, Travelers Checks, Savings Bonds, Federal Government checks or Tax Refund checks
- Checks or items that are remotely created checks, as defined in Reg CC.
- Torn/Mutilated checks
- Checks or items that are torn, mutilated, or have a MICR line that is not legible.
- Checks or items dated more than 6 months prior to the date of deposit.
- Checks or items prohibited by Taylor Bank's current procedures relating to the Service or which are otherwise not acceptable under the terms of your Taylor Bank account. Checks payable on sight or payable through Drafts, as defined in Reg. CC. **Endorsements and Procedures.** All checks deposited via Mobile Deposit must contain the appropriate signatures, as well as "FOR MOBILE DEPOSIT TAYLOR BANK" in a legible format to prevent rejection. It is a best practice to ensure the endorsement is located on the right side of the check while taking the picture to ensure accuracy. If an item is missing the information, or the information is not legible the item will be rejected and need to be resubmitted for deposit.

Image Quality. The image of an item transmitted to Taylor Bank using the Service must be legible, including the MICR data. The image quality of the items must comply with the requirements established from time to time by ANSI, the Board of Governors of the Federal Reserve Board, or any other regulatory agency, clearing house or association. Customer is solely responsible for the inspection of all electronic items to ensure legibility of the Check image and all information on an original Check is accurately photographed and legible. Customer acknowledges that image technology may not capture all security features contained in the original Check(s) and agrees to assume any and all losses resulting from claims based on security features that do not survive the image process. Customer acknowledges that Bank does not verify or inspect the accuracy, legibility or quality of the electronic item prior to processing an electronic item. Bank reserves the right in its sole discretion at any time to correct, alter or amend data submitted in an electronic item in accordance with general banking and check collection practices to facilitate processing of the Check, but Bank shall have no obligation to correct such a repair.

BUSINESS DAYS: Our Taylor Bank Online, Bill Pay, and Mobile Banking services are generally available 24 hours a day, 7 days a week. However, we only process transactions and update information on business days, which are Monday through Friday, excluding Federal holidays.

Receipt of Items. We reserve the right to reject any item transmitted through the Service, at our discretion, without liability to us. We are not responsible for items we do not receive or for images that are dropped during transmission. If we reject an item due to image quality, you will be notified that we cannot read the check and you will be required to re-take the photo. An image of an item shall be deemed received when you receive a confirmation from Taylor Bank that we have received the image. Receipt of such confirmation does not mean that the transmission was error free or complete or will be considered a deposit and credited to your account. We further reserve the right to charge back to your account at any time, any item that we subsequently determine was not an eligible item. You agree that the Bank is not liable for any loss, costs, or fees you may incur as a result of our chargeback of an ineligible item.

Bank reserves the right at any time to refuse the deposit or processing of an electronic item, and to return same to Customer without prior notice. Bank may request that Customer deposit the original Check for processing and collection, instead of the electronic item. Bank shall not be liable to Customer for (i) failure to process or collect an electronic item; (ii) any error that results in processing or collecting an electronic item because of Customer's failure to provide Bank with full and correct data or dollar amount from the original Check, or an accurate and legible of the original Check; and (iii) any Check that violates this Addendum, or any other agreement between Customer and Bank. Customer agrees that Bank may charge the account of Customer for any and all returned items that relate to original Check(s) deposited with Bank.

Disposal of Transmitted Items. Upon your receipt of a confirmation from Taylor Bank that we have received the image of an item, you are responsible for the storage and destruction, in a secure and confidential manner, of the original Checks used to create an electronic item. The original Checks will be properly disposed after fourteen (14) calendar days from the date of deposit unless otherwise agreed to in writing to ensure that it is not represented for payment. And, you agree never to represent the item. You will promptly provide any retained item, or a sufficient copy of the front and back of the item, to Taylor Bank if requested to aid in the clearing and collection process, to resolve claims by third parties with respect to any item, or for Taylor Bank's audit purposes.

Customer also agrees to review and validate the accuracy of the Check data captured including the amount of the check and the legibility of the check image through the Service prior to transmission of the image. Customer will carefully examine any statement, notification or confirmation of a transaction and notify Bank within thirty (30) days of the statement date of any errors, discrepancies or fraudulent transactions. Customer agrees that thirty (30) days is a commercially reasonable time for Customer to notify Bank of errors, discrepancies or fraudulent transactions, unless any other agreements, laws, rules or regulations provide for a shorter time.

Availability of Funds. You agree that items transmitted using the Service are not subject to the funds availability requirements of Federal Reserve Board Regulation CC. In general, if an image of an item you transmit through the Service is received and accepted before 4:00 p.m. Eastern Time on a business day that we are open, we consider that day to be the day of your deposit and available to you on the next business day. Otherwise, we will consider that the deposit was made on the next business day we are open. Taylor Bank may delay availability of funds based on such factors as credit worthiness, the length and extent of your relationship with us, transaction and experience information, and such other factors as Taylor Bank, in its sole discretion, deems relevant. In addition, Customer agrees to follow The Check Clearing for the 21st Century Act, as it may be amended from time to time, and Regulation CC of the Federal Reserve Board ("Check 21 Act") for all checks deposited where applicable.

Deposit Limits. We reserve the right to impose limits on the amount(s) and/or number of deposits that you transmit using the Service and to modify such limits from time to time. If you attempt to initiate a deposit in excess of these limits, we may reject your deposit. If we permit you to make a deposit in excess of these limits, such deposit will still be subject to the terms of this agreement, and we will not be obligated to allow such a deposit at other times.

Returned Deposits. Any credit to your account for Checks deposited using this Service is provisional. If original Checks deposited through this Service are dishonored, rejected or otherwise returned unpaid by the drawee bank, or are rejected or returned by a clearing agent or collecting bank, for any reason, including, but not limited to, issues relating to the quality of the image, you agree that an original Check will not be returned to you, but that we may charge back the amount of the original Check and provide you with an image of the original Check, a paper reproduction of the original Check or a substitute check. You will reimburse us for all loss, cost, damage or expense caused by or relating to the processing of the returned item. Without our approval, you shall not attempt to deposit or otherwise negotiate an original check if it has been charged back to you.

Right of Setoff. We may debit any of your accounts with us to obtain payment for any item that has been rejected or returned, for any adjustment related to such item or for any warranty claim related to such item (whether or not the rejection, return, adjustment or warranty claim was made timely), or for any other amounts owed to us under the terms of this Agreement.

Errors. You agree to notify Taylor Bank of any suspected errors regarding items deposited through the Service right away, and in no event later than 30 days after the applicable Taylor Bank account statement is made available to you. Unless you notify Taylor Bank within 30 days, such statement regarding all deposits made through the Service shall be deemed correct, and you are prohibited from bringing a claim against Taylor Bank for such alleged error.

Errors in Transmission. By using the Service you accept the risk that an item may be intercepted or misdirected during transmission. Taylor Bank bears no liability to you or others for any such intercepted or misdirected items or information disclosed through such errors.

Presentment. The manner in which the items are cleared, presented for payment, and collected shall be in Taylor Bank's sole discretion subject to the terms and conditions governing your account.

Ownership & License. You agree that Taylor Bank retains all ownership and proprietary rights in the Service, associated content, technology, and website(s). Your use of the Service is subject to and conditioned upon your complete compliance with this Addendum. Without limiting the effect of the foregoing, any breach of this Addendum immediately terminates your right to use the Service. Without limiting the restriction of the foregoing, you may not use the Service (i) in any anti-competitive manner, (ii) for any purpose which would be contrary to Taylor Bank's business interest, or (iii) to Taylor Bank's actual or potential economic disadvantage in any aspect. You may use the Service only for business or personal use in accordance with this Agreement. You may not copy, reproduce, distribute or create derivative works from the content and agree not to reverse engineer or reverse compile any of the technology used to provide the Service

Audit/Cooperation with Investigations. We may periodically audit and verify your compliance with this agreement. You agree to cooperate with Taylor Bank in the investigation of unusual transactions, poor quality transmissions, and resolution of customer claims, including by providing, upon request and without further cost, any originals or copies of items deposited through the Service in your possession and your records relating to such items and transmissions.

DISCLAIMER OF WARRANTIES. YOU AGREE YOUR USE OF THE SERVICE AND ALL INFORMATION AND CONTENT (INCLUDING THAT OF THIRD PARTIES) IS AT YOUR RISK AND IS PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS. WE DISCLAIM ALL WARRANTIES OF ANY KIND AS TO THE USE OF THE SERVICE, WHETHER EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. WE MAKE NO WARRANTY THAT THE SERVICE (i) WILL MEET YOUR REQUIREMENTS, (ii) WILL BE UNINTERRUPTED, TIMELY, SECURE, OR ERROR-FREE, (iii) THE RESULTS THAT MAY BE OBTAINED FROM THE SERVICE WILL BE ACCURATE OR RELIABLE, AND (iv) ANY ERRORS IN THE SERVICE OR TECHNOLOGY WILL BE CORRECTED.

LIMITATION OF LIABILITY. IN ADDITION TO LIMITATIONS ON USE OF THE SERVICE AS PROVIDED BELOW, YOU AGREE THAT WE WILL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES, INCLUDING, BUT NOT LIMITED TO DAMAGES FOR LOSS OF PROFITS, GOODWILL, USE, DATA OR OTHER LOSSES RESULTING FROM THE USE OR THE INABILITY TO USE THE SERVICE INCURRED BY YOU OR ANY THIRD PARTY ARISING FROM OR RELATED TO THE USE OF, INABILITY TO USE, OR THE TERMINATION OF THE USE OF THIS SERVICE, REGARDLESS OF THE FORM OF ACTION OR CLAIM (WHETHER CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE), EVEN IF TAYLOR BANK HAS BEEN INFORMED OF THE POSSIBILITY THEREOF.

- a. You will only transmit eligible items.
- b. Images will meet the image quality standards as required in this Addendum.
- c. You will not transmit duplicate items.

Article III. Additional Information about the Services.

3.1. Account Access.

Transfers and Payments from your Account will be deducted on the date you instruct us to process them. If the date you schedule a Transfer or Payment falls on a weekend or holiday, we will process your transaction the next Transfer Day. We may refuse to act on your Transfer instructions or Payment request if sufficient funds, including funds available under any overdraft protection plan, are not available in your Account on the date you want us to make the Transfer or Payment.

3.2. Processing Fund Transfers.

We can process a Transfer until 4:00 p.m., EST on any business day. If you request a Transfer after the cutoff time, the Transfer may be processed the following business day. If you schedule a Transfer for a future date, we will process the transaction after the close of business on that date, if that day is a business day.

You are fully obligated to us to provide sufficient funds for any payments or transfers you make or authorize to be made. If we complete a payment or transfer that you make or authorize and we subsequently learn that you have insufficient funds for the transaction, you agree that we may reverse the transaction or offset the shortage with funds from any other deposit account(s) you have with us to the extent permissible by the applicable law and the terms of any other relevant agreements.

If there are insufficient funds in your Account to make a Transfer or Payment, we may refuse to make the Transfer or Payment or we may make the Transfer or Payment and overdraw your Account. In either event, you are responsible for any non-sufficient funds ("NSF") charges that may apply.

3.3. Canceling Transfers or Payments.

You may cancel a pending Transfer or Payment transaction. However, to do so, we must receive your instruction to cancel prior to the cutoff time on the business day the transaction is scheduled to be processed. If we don't receive your instruction to cancel a transaction before that time, we may process the transaction.

3.4. Transfer(s) from Savings/Money Market Deposit Accounts.

Federal regulations require us to limit, either by contract or in practice, the number of certain types of transfers from savings and money market deposit accounts. You are limited to six (6) preauthorized electronic fund transfers per month. Each fund transfer through these Services from your savings or money market deposit account is counted as one of the six (6) transfers permitted each calendar month. However, payments to your loan accounts with us are not counted toward this transfer limit for savings/money market deposit accounts.

3.5. E-Mails.

Taylor Bank will not immediately receive e-mail that you send. Therefore, you should not rely on e-mail if you need to communicate to Taylor Bank immediately. For example, if you need to stop payment on a check, to report a lost or stolen card, or to report an unauthorized transaction from one of your accounts, you should contact Taylor Bank immediately by calling any branch (see Section 9.5). Taylor Bank will not take actions based on your e-mail requests until Taylor Bank actually receives your message and has a reasonable opportunity to act.

3.6. Overdrafts: Order of Payments, Transfers, and Other Withdrawals.

If funds are withdrawn from any of your accounts by means of electronic funds transfers, other than through Online Banking on the same business day as an Online Banking transaction, and if the account contains insufficient funds to enable both the electronic funds transfer and the Online Banking transfer to be made, then the electronic funds transfer may result in an overdraft on your account. This is at Taylor Bank's sole discretion.

3.7. Taylor Pay Bill Payment Service

3.7.1. You authorize us to deduct payment transactions generated by the Bill Pay service, known as Taylor Pay, from the checking accounts you have designated on the application. If at any time, you decide to discontinue this service, you must complete a new signed application stating so and we will discontinue the service for you. If we decide to discontinue or amend Taylor Pay, including any fees, we will notify you. Payments may be made only to payees with U.S. addresses. Payments may not be permitted to government entities, for taxes, or for court ordered payments. We reserve the right to refuse to allow designation of any particular payee or class of payee. You understand that payments may take up to 10 business days to reach the vendor if sent by check and up to 3 business days if sent electronically. Taylor Bank is not liable for any service fees or late charges incurred by you, if you do not provide timely, complete and accurate information or if you do not properly follow our instructions. You also understand that you are responsible for any loss or penalty incurred due to insufficient funds or other conditions that may prevent the posting of payments from your account. Requesting payments that cannot be completed due to insufficient funds may result in cancellation of Taylor Pay. Taylor Bank also reserves the option, in our business judgment, to waive, reduce or reverse charges or fees in individual situations.

3.7.2. You may schedule Payments to be initiated on the current Business Day, on a future date, or on the same date of each month. If you are scheduling a Payment for the current day it must be initiated prior to 3:00 p.m. EST. If the transaction shows an (IN PROCESS) status, then the Payment cannot be modified or deleted. Although you can enter Payment information through the Service twenty-four (24) hours a day, seven (7) days a week, Taylor Bank only initiates on Business Days. Funds must be available in your Account on the scheduled payment date. After funds are withdrawn from your Account to make a Payment, we may make the Payment either by transferring funds electronically to the Payee or by mailing the Payee a check. Funds will be deducted from your account on the same Business Day for Electronic Payments. Payments made by check will be deducted from your Account when the check clears your account. If you direct the initiation of a Payment to occur on a day other than a Business Day, it will be initiated on the following Business Day. Taylor Pay will indicate whether a Payee is paid electronically or by check.

Taylor Bank is not liable for any service fees or late charges levied against you due to postal delays or processing delays by the Payee. There is no limit on the number of Payees or number of Payments that may be authorized. Electronic Payments are subject to the availability of sufficient funds in the designated checking account. However, Taylor Bank reserves the right to impose limits at some future date, with proper written notice.

When you schedule a Bill Payment that will be made by check, you authorize us to issue a check drawn on your qualified designated checking account for the requested amount. If sufficient funds are not available in your designated account when the check is presented for payment, we may refuse to honor the check and return it unpaid. At our sole discretion, we may elect to pay the check regardless of the insufficient funds. In either event, your qualified designated account will be charged our then current fee for processing insufficient items, whether the check is paid or returned, as applicable. You are responsible for any loss or penalty that you may incur due to a lack of sufficient funds or other conditions that may prevent the withdrawal of funds from your account.

3.7.3. If Payment is to be made electronically and your Account does not have the availability of sufficient funds to make a Payment as of the date of transfer, the Payment will be postponed until the account reaches a sufficient balance to complete the Payment. Taylor Bank shall have no obligation or liability if it does not complete a Payment because there are insufficient funds in your account to process a transaction. In the case of recurring Payments, only the Payment currently scheduled will be postponed. Recurring Payments scheduled for future dates will not be affected. Taylor Bank will not be held liable for alternate arrangements made by the business or any authorized representative or for non-payment due to insufficient funds.

3.7.4. Recurring Payments and Transfers are those made for the same amount, on the same date, on a weekly, bi-monthly, monthly basis, etc. Once started, recurring Payments and Transfers will be made automatically until you delete the Payment or Transfer or upon expiration. If the Payment is not a recurring Payment, it will be a "one-time Payment." One-time Payments do not recur and are not made until you enter the Payee and amount of the current bill and submit the Payment. A recurring Taylor Pay transaction that you want deleted must be deleted or the next Payment date changed one (1) Business Day before the current transaction date.

A stop payment cannot be placed on an Electronic Bill Payment transaction once issued. However, a stop payment can be placed on a Bill Payment check any time prior to the day such check is presented for final payment.

There is no fee for deleting a Payment initiated through Taylor Pay; however a fee will apply for a stop on a Bill Payment check.

In the event a Payment is returned to us for any reason, you authorize us, in our sole and absolute discretion, to both research and correct the Payment information or to void the Payment and re-credit your Account.

Article IV. Limitations.

Your use of these Services is subject to the following limitations:

4.1. Dollar Amount.

There may be a limit on the dollar amount of the transactions you can make using these Services. Security reasons limit the dollar amount of transactions and these limits are subject to change from time to time. Payment can only be made with U.S. currency.

5.1. Your Responsibility.

5.1.1. Physical and Electronic Security.

- 1.** You are solely responsible for providing and maintaining the physical, electronic, procedural, administrative, and technical security of data and systems in your possession or under your control. We are not responsible for any computer viruses (including, without limitation, programs commonly referred to as "malware," "keystroke loggers," and/or "spyware"), problems or malfunctions resulting from any computer viruses, or any related problems that may be associated

with the use of an online system. Any material downloaded or otherwise obtained is obtained at your own discretion and risk, and Taylor Bank is not responsible for any damage to your computer or operating systems or for loss of data that results from the download of any such material, whether due to any computer virus or otherwise. You are solely responsible for maintaining and applying anti-virus software, security patches, firewalls, and other security measures with respect to your operating systems, and for protecting, securing, and backing up any data and information stored in or on your operating systems. Taylor Bank is not responsible for any errors or failures resulting from defects in or malfunctions of any software installed on your operating systems.

In the event you receive an e-mail or other electronic communication that you believe, or has reason to believe, is fraudulent, you agree that you shall not respond to the e-mail, provide any information to the e-mail sender, click on any links in the e-mail, or otherwise comply with any instructions in the e-mail. To the extent allowed by law, you agree that Taylor Bank is not responsible for any losses, injuries, or harm incurred by you as a result of any electronic, e-mail, or internet fraud.
- .3.** In the event of a breach of the Security Procedure, you agree to assist Taylor Bank in determining the manner and source of the breach. Such assistance shall include, but shall not be limited to, providing Taylor Bank or Taylor Bank's agent access to your hard drive, storage media and devices, systems and any other equipment or device that was used in breach of the Security Procedure. You further agree to provide to Taylor Bank any analysis of such equipment, device, or software or any report of such analysis performed by you, your agents, law enforcement agencies, or any other third party. Your failure to assist Taylor Bank shall be an admission by you that the breach of the Security Procedure was caused by a person who obtained access to your transmitting facilities or who obtained information facilitating the breach of the Security Procedure from you and not from a source controlled by Taylor Bank.

5.1.2. Reporting Unauthorized Transactions.

You should notify us immediately if you believe your User Name or Password have been lost or stolen, that someone has gained access to the Security Procedure, or that someone has transferred or may transfer money from your Account without your permission or if you suspect any fraudulent activity on your Account. You must report all other errors within a reasonable time not to exceed thirty (30) days from the date that the error is made. Failure of you to promptly report errors within such specified time shall preclude you from asserting against Taylor Bank any claims arising from the error or any loss caused by the error.

5.1.4. Financial Information.

Taylor Bank may from time to time request information from you in order to evaluate a continuation of the Service(s) to be provided by Taylor Bank hereunder and/or adjustment of any limits set by this Master Agreement or any applicable Service Agreement. You agree to provide the requested financial information immediately upon request by Taylor Bank, in the form required by Taylor Bank. If you refuse to provide the requested financial information, or if Taylor Bank concludes in its sole discretion that the credit risk of you is unacceptable, Taylor Bank may terminate the Service according to the provisions hereof. You authorize Taylor Bank to investigate or reinvestigate at any time any information provided by you in connection with this Master Agreement or any applicable Service Agreement or any Services and to request reports from credit bureaus and reporting agencies for such purpose.

5.1.5. Deadlines.

You shall deliver or transmit all data or information to Taylor Bank by the deadline(s) specified in this Master Agreement or any applicable Service Agreement. Taylor Bank shall have no obligation to process data or perform the Service if the data is not received by Taylor Bank by the specified deadline.

5.1.6. Payment for Services.
