## ***Best of Bauer Taylor Bank*** **5-Star Rated Since December 1990**

**January 2020: Coral Gables, Florida, BauerFinancial, Inc., the Nation's Premier Bank Rating Firm,** proudly affirms that **Taylor Bank, Berlin, Maryland** has once again earned its highest (5-Star) rating for financial strength and stability. Earning a 5-Star rating indicates this bank excels in areas of capital adequacy, profitability, asset quality and much more. Earning and **maintaining this top rating for 118 consecutive quarters**, means Taylor Bank has done so continuously since December 1990. This achievement has secured an even higher status for Taylor Bank as a **"Best of Bauer Bank"**. The **"Best of Bauer"** designation is reserved specifically for banks that have earned Bauer's highest rating continuously for 25 years or longer.

"While other banks are trying to win back the confidence and trust of their customers, community banks, like Taylor Bank, never lost it," notes Karen Dorway, president of BauerFinancial. "In fact," she continued, "a recent Federal Reserve survey found that while fewer than half of Big Bank customers were satisfied with their overall banking experience, the vast majority of community bank customers are satisfied. And, local businesses dealing with community banks not only reported the most satisfaction, but also the most success. Those findings didn't surprise us. Community banks, Taylor Bank included, are local small businesses themselves, so they have a definite leg up on outsiders."

Taylor Bank has been helping its neighbors and friends since it began in 1890. Today, after 130 years, it continues to provide a superior personal experience through 11 conveniently located offices spanning Maryland, Delaware and Virginia and can also be found online at [taylorbank.com](http://taylorbank.com).
